

PRESTON & DISTRICT ANTIQUE CAR CLUB
=====

18th January, 1963.

Dear Member,

May we remind you that subscriptions are now due? £1. 1. 0., for full membership, 10/6d. for associate or non-car owning membership. Try and get some more members to join, and if you see a man driving a vintage motor car, stop him and make him sign up on the spot!

Send your money to Treasurer C. Kay, [REDACTED], Blackpool.

Next meeting, Derby Arms, Inskip, January 23rd, 8 p.m.

"By popular demand," there will be another Tramps Supper-cum-Fancy Dress Party at the Balmoral Hotel, Conway Avenue, Cleveleys, on Friday, February 22nd.

Tear off the attached slip and let your secretary know in good time how many tickets you will need.

Welcome to New Members. Norman Gibbons, Welbeck Road, Bolton; car, 1929 4½ litre Bentley 4 seater tourer. This is Norman's second Bentley, the first being a 1926 3 litre with a dreadful appetite for skew gears and cross shafts. Better luck with this one! A qualified pilot, Norman's other hobby is flying although he still likes to get astride a fast M/Cycle.

Know your members and their cars. No. 1. David Martin, Service Manager at a "large Preston garage." Car-1896 2 Cylinders Daimler shooting brake, affectionately known as "Ugly." At present immobile owing to a shortage of tyres (solids). The Daimler is expected to be back on the road this season. In the meantime, David will be piloting a 1904 De Dion Bouton, in Club Runs.

Maintenance Note:- For upholstery and trimming, and correct vintage or veteran reproductions carried out by craftsmen call on George Walker & Son, 403-405, Chorley Old Road, Bolton. They will be very pleased to see you.

The first run of the season has been provisionally fixed for the Sunday before Easter. Further details later.

Yours faithfully,

A. W. Brodrick,
(Secretary) Preston 4242
